## Testimonials

The first testimonial below is from the Book Publisher Mrs. Nikki Lewis of [www.howtobooks.co.uk](http://www.howtobooks.co.uk) regarding our catering for her Daughters wedding. This was when we cooked Rare Roast Sirloin of Beef Manoir (to the recipe as taught to Steve Good by Chef Gerwin at Raymons Blanc's "Le Manoir Aux Quat'Season" at Great Milton) served with hot buttered Jersey Royal Potatoes and Parsley. This was a five-course meal for the families 150 wedding guests, all seated in a Bedouin Tent. Despite the appalling weather it was all cooked and served on time, in a makeshift field kitchen (without mains services) in the gardens of the family home, namely Springfield House. The client commented :

Sunday 8th July

Dear Steve,

Thank you so much for all you did to make Anna and Matt's wedding run so smoothly and make it the very happy day it was.

We've had several letters from people saying how much they enjoyed the beef and one, a professional international Chef, even said it was the best beef they had ever eaten. It was delicious.

Thank you again and when I finally manage to get the other two daughters hitched we'll be in touch!

And of course we'll recommend you to friends.

All the best for now

Nikki Lewis

Arjo Wiggins (formerly WigginsTeape) commented as follows on our efforts in Beaconsfield on Saturday 21st July undertaken in similarly poor weather conditions:

Hi Steve,

Re: 50 Years of Butler's Court - Celebration Garden Party

Well what can I say .....THANK YOU, THANK YOU, THANK YOU.....to you personally and to your excellent team for the superb food you dished up for us on Saturday.

Already we have had lots of calls from our guests saying how much they enjoyed the day but especially the food!!!

The weather was very disappointing (the sun dance didn't work too well but thanks for trying) but you carried on regardless and coped with all 200 of us very professionally and efficiently.

I, personally really appreciate all your advice and re-assurance from the time of our original booking through to the big day. I would like to say that should we contemplate a similar function in the future we would not hesitate to contact you and of course we would take pleasure in recommending your Company to others.

Thank you so much

and another local company Oxford Immunotec Ltd. who kindly said . . . .

Hi Steve

I just wanted to say a huge THANK YOU to you and your partner for the wonderful food you prepared for us on Friday .

Everyone remarked on how they enjoyed it and how beautifully it was presented.

It was delicious!

Thank you so much

Kind regards

Maxine

And finally, an email from a BBC TV executive for whom we cooked a BBQ at her family home in the village of Toot Balden . . . .

18th June

Dear Steve

I would like to say a huge thank you to you for your absolutely excellent service on Saturday. The food was just superb, and it was all so well organised and smoothly executed.

I had countless compliments about the whole display, from the quantity and quality of food to the way you were with everyone. You sussed the tone of the party just right and it was such a pleasure to have you as part of the proceedings. I'm only sorry that I didn't get to chat to you more - but events took hold. I'm sure you're used to it.

I'm sorry if we kept you hanging around too long - I don't think I had realised how drunk everyone had got over drinks and I should have moved them to the bbq far sooner!! But at least the rain meant that the boys could stick by the bbq and eat as much as possible to absorb some booze.

The party went on till about 2am (don't know how we managed it), but everyone collapsed after polishing off the final leftover ribs etc.

I couldn't believe when I woke up the next morning that there wasn't a single sign of you having been there. Your clearing up job was fantastic - what a relief for me!!

So, once again, thank you for being the star of my party. I hope you have all finally dried off and no one is suffering from pneumonia on your team!!

All the best and I do hope to do business again.
